For use of outside consultants for plan checking or inspection (or both) *****	actual cost (including overhead)

*Additional Right-of-Way Inspection Fees will be charged for projects that exceed two inspections. A minimum one-hour inspection time will be charged per inspection.

**If it is determined by the Development Services Division that the scope of the project is such that only a minimal amount of review/inspection time will be required, then the review/inspection fee can be based on the hourly rate and the time spent. In addition, this fee may be assessed for engineering review/inspection of projects not requiring a Site Development Permit.

***An itemized project cost estimate shall be prepared and stamped by a licensed professional engineer and submitted to the City for approval. This engineer's estimate shall be used to determine the project cost.

****If it is determined that the modification impacts surrounding properties, public notification will be required.

*****The applicant is responsible for the following fees incurred by the City from outside consultants or experts: (1) expenses associated with permit review, approval, and issuance; (2) expenses associated with the applicant's failure to comply with the permit and applicable City codes; and (3) expenses associated with the City's evaluation and mitigation of hazardous conditions arising from the applicant's failure to comply with the approved permit and applicable codes.
