

Interlocal Agreement Between The University Place School District #83 and The City of University Place For a Feasibility Study of Capital Improvements to the University Place School District Aquatic Center

This agreement is made and entered into this 20th day of July, 1999, by and between the UNIVERSITY PLACE SCHOOL DISTRICT, hereinafter referred to as the "District," and the CITY OF UNIVERSITY PLACE, hereinafter referred to as the "City."

The City shall contract with the District to perform a feasibility study of the aquatic center. The purpose of the study is to develop, for consideration by both parties, possible ideas for capital improvements to the facility as necessary to accommodate increased use by community patrons. The study will be performed by licensed architects and other consultants as necessary.

The City shall reimburse the District for all direct expenses related to the feasibility study. The reimbursement shall not exceed \$10,000. Payment by the City shall be within thirty days of billing from the District.

The results of the feasibility study will be shared in full with the City.

These parties have caused this agreement to be executed the day and year above written.
