A Safety Newsletter For Kids

Produced by Your Local Fire Department & Northwest Fireflies

Use your favorite bright colors on the life jacket below to create a fun life jacket for you to wear.

Always wear your life jacket:

- On a boat
- On a dock
- At the lake
- At the river
- Near a pool
- At the beach

Always watch your children closely when they are in or near water.

Listen to each water safety rule.
Draw a picture for each one.

Always swim with a grown-up.

Wear a life jacket when you are in
or around water.

Learn how to swim. Now, draw
yourself swimming safely.

Air mattresses, swim rings and water wings do not take the place of a life jacket. Be sure your child knows how to swim and always wears a life jacket when in or around water.
