# PHASE 2 PURCHASE & DEVELOPMENT AGREEMENT BETWEEN THE CITY OF UNIVERSITY PLACE AND VERUS PARTNERS, LLC

THIS PHASE 2 PURCHASE & DEVELOPMENT AGREEMENT ("Phase :
Agreement") is dated this day of, 2016 (the "Effective Date")
between the City of University Place (the "City"), a Washington municipal corporation
acting in its proprietary capacity, and Verus Partners, LLC (the "Developer"),
Washington limited liability company and its assigns (hereinafter collectively referred to
as "Parties") and is made pursuant to the following recitals and the terms and condition
herein.

## **RECITALS**

- A. In furtherance of the City's Town Center Plan, the City, over the course of several years, acquired for private redevelopment certain lots located within the Town Center Planned Action Area which are depicted on the Town Center Binding Site Plan and referred to as Lots 1, 2, 3, 4, 7, 8, 9, 10, 11 and 12, and Tracts A & B, and the public right of way in and about the foregoing (the "Town Center Property"). The City currently owns in its proprietary capacity the undeveloped Lots 1, 2, 3, 4, 11, 12, and Tracts A & B of the Town Center Property.
- B. The City and Developer entered into a Purchase and Development Agreement dated November 15, 2013, (the "Development Agreement") under which the Developer acquired Lot 7 of the University Place Town Center Binding Site Plan (the "BSP") for development of a facility for an anchor retail tenant, as well as the right to acquire in phases, Lots 1, 2, 3, 4, and 11 of the BSP ("Phased Properties"), on terms established in the Development Agreement, which remains in full force and effect. The Developer has fully performed its first phase obligations and is now exercising its right to acquire and develop Lot 4 of the BSP as the Phase 2 of its development, pursuant to the terms of the Development Agreement.
- C. Upon Developer's successful closing on Lot 4, Developer will have further extended Developer's Phasing Rights and the Phasing Rights Period as to the remaining Phased Properties for an additional six (6) months. To exercise the Phasing Rights as to a remaining Phased Property, Developer shall give notice to the City within six (6) months of the Closing on Lot 4 of Developer's intent to acquire a Phased Property.
- E. The Developer desires to acquire Lot 4 of the Town Center Property (the "Lot 4 Property") identified as Lot 4 on the BSP for purposes of constructing a structure(s) of between 15,000 and 25,000 square feet core/shell building for commercial tenants and related exterior structures and site improvements (i.e., parking and landscaping) thereon (the "Phase 2 Project"). The construction and operation of such commercial facilities by the Developer would be consistent with, and in furtherance and fulfillment of, the Town Center Plan.

- F. As described in this Phase 2 Agreement, consideration from the Developer to the City for acquisition of the Lot 4 Property includes cash and the obligation to construct certain improvements on the Lot 4 Property.
- G. The cash price to be paid by the Developer for all future Lot acquisition was established in the Development Agreement, and establishment of that future acquisition Lot price was a material portion of the consideration for the Developer bringing Whole Foods Market as an anchor use to Town Center. Both Parties understand and agree that the opening of Whole Foods Market increased the value and viability of the Town Center, and the establishment of Developer's future acquisition Lot price was full consideration to the Developer for that increased value and viability.
- H. By Resolution No. \_\_\_\_\_, adopted \_\_\_\_\_ 2016, the University Place City Council found and determined that the consideration to be provided by the Developer established in the Development Agreement was sufficient consideration for acquisition of the Lot 4 Property and approved the execution of this Phase 2 Agreement.
- I. The Parties intend by this Agreement to set forth their mutual agreement and undertakings with regard to the Phase 2 Project.

## **AGREEMENT**

NOW, THEREFORE, in consideration of the mutual undertaking and promises contained herein, and the benefits to be realized by each party and in future consideration of the benefit to the general public by the creation and operation of the Phase 2 Project upon the Lot 4 Property, and as a direct benefit to the City and other valuable consideration, the adequacy of which is hereby acknowledged, the Parties agree as follows:

Developer shall get a credit at Closing in accordance with Section 2.3.1 of the Development Agreement.

- 2.3 Phased Properties Period and Pricing. The Phasing Rights shall extend for six (6) months commencing on the Closing date of the Lot 4 Property (the "Phasing Rights Period"). The Developer will pay the City the sum of \$15.00 per square foot for the purchase of Lots 1, 2, 3, and 11.
- 2.4 <u>Exercise of Rights(s)</u>. At any time during the Phasing Rights Period the Developer may give notice to the City of its intent to exercise any or all of the rights on the Phased Properties. Upon delivery of such notice, the City and Developer will negotiate in good faith to reach agreement on purchase and development agreement(s) which shall be substantially in the form of this Agreement for the Phased Property or Phased Properties for which Developer has provided notice of its intent to acquire. The City Representative shall have ten (10) business days after receipt of Developer's notification in which to notify Developer whether or not it elects to cure or remove any of the disapproved exceptions of which the City Representative receives timely notice. The City Representative shall remove all exceptions and cure all ALTA Survey objections it elects to remove or cure on or before the Closing Date.
- 3.2.3 <u>Developer's Election</u>. If the City Representative does not elect to remove or cure all exceptions or items disapproved by Developer, Developer may elect to terminate this Phase 2 Agreement by written notice to the City Representative given within five (5) business days following the City Representative's notice, in which event this Phase 2 Agreement shall automatically terminate, and neither Party hereto shall have any further rights or obligations under this Phase 2 Agreement. In such event the City shall re-inspect the Improvements and follow the procedure set forth above. The Certificate of Completion shall be a conclusive determination that the Parties' agreements with respect to the Developer's construction obligations for the Phase 2 Project have been met. The Certificate shall be in a form that enables it to be recorded in the official records of Pierce County, Washington, and shall have the effect of completing Developer's obligations with respect to the Lot 4 Property and Phase 2 Project and shall terminate the Memorandum of Phase 2 Agreement as recorded.

## 6. Indemnification.

- 6.1 <u>Developer's Indemnification of City</u>. Developer shall protect, defend, indemnify, and save harmless the City and its respective officers, officials, employees and agents (collectively, the "City Indemnified Parties"), from any and all claims, demands, suits, penalties, losses, damages, judgments, or costs of any kind whatsoever arising out of or in any way resulting from Developer's officers, employees, agents, contractors and/or subcontractors of all tiers, acts or omissions, performance or failure to perform this Phase 2 Agreement.   - 6.1.2 The duty to indemnify and defend the City from any claim, demand and/or cause of action brought by or on behalf of any of Developer's employees or agents. The foregoing duty is specifically and expressly intended to constitute a waiver of Developer's immunity under Washington's Industrial Insurance Act, RCW Title 51, as respects the City only, with a full and complete indemnity and defense of claims made by Developer's employees or agents. The Parties acknowledge that these provisions were mutually negotiated and agreed upon by them.
  - 6.1.3 In the event the City incurs any judgment, award, and/or costs arising therefrom, including attorneys' fees, to enforce the provisions of this Section, all such fees, expenses, and costs shall be paid by Developer.
  - 6.1.4 Notwithstanding the provisions contained above, Developer's obligation to indemnify the City shall not extend to any claim, demand or cause of action to the extent caused by the negligence or willful misconduct of the City or breach of this Phase 2 Agreement by the City.
- 6.2 <u>City's Indemnification of Developer</u>. The City shall protect, defend, indemnify, and save harmless Developer and its respective officers, officials, employees and agents (collectively, "Developer Indemnified Parties"), from any and all claims, demands, suits, penalties, losses, damages, judgments, or costs of any kind whatsoever arising out of or in any way resulting from the City's officers, employees, agents, contractors and/or subcontractors of all tiers, acts or omissions, performance or failure to perform this Phase 2 Agreement. The City's obligations under this Section shall include, but not be limited to:
  - 6.2.1 The duty to promptly accept tender of defense and provide defense to Developer at the City's own expense.
  - 6.2.2 The duty to indemnify and defend Developer from any claim, demand and/or cause of action brought by or on behalf of any of the City's employees or

- agents. The foregoing duty is specifically and expressly intended to constitute a waiver of the City's immunity under Washington's Industrial Insurance Act, RCW Title 51, as respects Developer only, with a full and complete indemnity and defense of claims made by the City's employees or agents. The Parties acknowledge that these provisions were mutually negotiated and agreed upon by them.
- 6.2.3 In the event Developer incurs any judgment, award, and/or costs arising therefrom, including attorneys' fees, to enforce the provisions of this Section, all such fees, expenses, and costs shall be paid by the City.
- 6.2.4 Notwithstanding the provisions contained above, the City's obligation to indemnify Developer shall not extend to any claim, demand or cause of action to the extent caused by the negligence of Developer or breach of this Phase 2 Agreement by Developer.
- 6.3 <u>Notice of Claim.</u> Any person making a claim for indemnification pursuant to this Section (an "Indemnified Party") must give the Indemnifying Party written notice of such claim (an "Indemnification Claim Notice") promptly after the Indemnified Party receives any written notice of any action, lawsuit, proceeding, investigation or other claim (a "proceeding") against or involving the Indemnified Party, or otherwise discovers the liability, obligation or facts giving rise to such claim for indemnification; provided that the failure to notify or delay in notifying the Indemnifying Party will not relieve the Indemnifying Party of its obligations pursuant to this Section except to the extent that the Indemnifying Party's ability to defend against such claim is actually prejudiced thereby. Such notice shall contain a description of the claim and the nature and amount of such loss (to the extent that the nature and amount of such loss is known at such time).

### 7. Damage and Destruction; Condemnation.

Damage and Destruction. In the event there is any damage or destruction 7.1 to the Phase 2 Project prior to Final Completion, Developer shall give the City prompt written notice thereof generally describing the nature and cause of such casualty and the extent of the damage or destruction to the Phase 2 Project. Developer shall cause reconstruction and restoration of the Phase 2 Project in accordance with the applicable Construction Documents and the provisions of this Phase 2 Agreement. Developer will assign all insurance proceeds which Developer may be entitled to receive prior to Final Completion of the Phase 2 Project with respect to damage or destruction to the Construction Lender, or if there is no Construction Lender, a third party insurance trustee mutually acceptable to the City and Developer who shall disburse insurance proceeds to reimburse Developer for the cost of restoration or repair in accordance with the terms, covenants, conditions, provisions and procedures set forth in the Construction Loan Documents or if there are no Construction Loans outstanding at the time of such damage or destruction in periodic installments based upon the percentage of completion and otherwise in accordance with standard commercial construction loan administration.

- 7.2 <u>Condemnation</u>. As used in this Phase 2 Agreement, the term "condemnation" refers to a taking by any public or governmental authority under power of eminent domain or any transfer in lieu thereof.
  - 7.2.1 Condemnation Prior to Closing Date. In the event condemnation proceedings are threatened against a material portion of the Lot 4 Property prior to the Closing Date, either party shall have the right by giving written notice of such decision to the other within fifteen (15) days after receiving written notice of such condemnation proceedings to terminate this Phase 2 Agreement, and except as otherwise expressly provided herein, neither party shall have any further rights or obligations to the other under this Phase 2 Agreement and all condemnation awards payable to the property owner by reason of such condemnation, if any, shall be paid to the City. If neither party elects to terminate this Phase 2 Agreement, the Phase 2 Agreement shall remain in full force and effect, Developer shall accept the Lot 4 Property affected thereby in its then condition and state of repair, and all condemnation awards payable to the property owner by reason of such condemnation, if any, shall be paid or assigned to Developer upon Closing.
  - 7.2.2 Condemnation After Closing Date. In the event of a condemnation of the Lot 4 Property after the Closing Date, to the extent that the Phase 2 Project may still be constructed in accordance with the Construction Documents and may be constructed in accordance with the Construction Documents as modified by changes acceptable to Developer and the City, Developer shall proceed to construct the Phase 2 Project in accordance with the Construction Documents, as modified, if applicable.

## 8. Default.

- 8.1 The following events shall constitute a "Default" or an "Event of Default":
- 8.1.1 The failure of either Party to keep, observe, or perform any of its duties or obligations under this Phase 2 Agreement; or
- 8.1.2 If Developer files a petition for bankruptcy or makes a general assignment for the benefit of Developer's creditors, or if a receiver is appointed on account of Developer's insolvency and any such petition or appointment is not dismissed within ninety (90) days.
- 8.2 <u>City Remedies Upon Developer Event of Default</u>. Upon any Event of Default by Developer, the City shall give Developer written notice of the same, whereupon following receipt of such written notice Developer shall have thirty (30) days within which to commence all necessary action to cure any such Event of Default, (and if such cure is commenced, proceed to diligently and continuously prosecute such cure to completion within a reasonable period of time thereafter not to exceed sixty (60) days), except with respect to Events of Default for which a shorter cure period is stated herein. In the event Developer fails to cure such Event of Default within the time period set forth

above, the City shall be entitled to exercise the specific remedies identified in this Phase 2 Agreement for particular defaults by the Developer, and where no specific remedy is identified, the City may exercise one or more of the following remedies:

- 8.2.1 Prior to Closing on the Lot 4 Property. If Developer fails to perform any material obligation under this Phase 2 Agreement, the City shall give the Developer written notice of same, whereupon following receipt of such written notice, Developer shall have thirty (30) days within which to commence all necessary action to cure any such failure (and if cure is commenced within such thirty (30) day period, proceed to diligently complete such cure within a reasonable period of time). In the event Developer fails to cure such default within the time period set forth herein and provided the City is not in default hereunder, then the City will have the right, as its sole and exclusive remedy, to terminate this Phase 2 Agreement, and except as otherwise expressly provided herein neither party shall thereafter have any further rights or obligations under this Phase 2 Agreement.
- 8.2.2 <u>After Closing</u>. With respect to a Developer Event of Default occurring after Closing, and provided City is not in default hereunder, the City may pursue any available legal remedy except specific performance.
- 8.3 <u>Developer Remedies Upon City Default</u>. Upon any Event of Default by the City, Developer shall give the City written notice of the same, whereupon following receipt of such written notice the City shall have thirty (30) days within which to commence all necessary action to cure any such Event of Default, (and if such cure is commenced, proceed to diligently and continuously prosecute such cure to completion within a reasonable period of time thereafter not to exceed 60 days), except with respect to Events of Default for which a shorter cure period is stated herein. In the event the City fails to cure such Event of Default within the time period set forth above, Developer shall be entitled to exercise the specific remedies identified in this Phase 2 Agreement for particular defaults by the City, and where no specific remedy is identified, the Developer may exercise one or more of the following remedies:
  - 8.3.1 Prior to Closing on the Lot 4 Property. If the City fails to perform any material obligation under this Phase 2 Agreement, Developer shall give the City written notice of same, whereupon following receipt of such written notice, the City shall have thirty (30) days within which to commence all necessary action to cure any such failure (and if cure is commenced within such thirty (30) day period, proceed to diligently complete such cure within a reasonable period of time). In the event the City fails to cure such default within the time period set forth herein and provided Developer is not in default hereunder, then Developer will have the right, as its sole and exclusive remedy, to terminate this Phase 2 Agreement, and except as otherwise expressly provided herein neither party shall thereafter have any further rights or obligations under this Phase 2 Agreement.

- 8.4 <u>Limitation on Damages</u>. Notwithstanding anything to the contrary set forth in this Phase 2 Agreement, the City and Developer agree that the recovery by either party of any damages suffered or incurred by it as a result of any breach by the other party of any of its obligations under this Phase 2 Agreement shall be limited to the actual damages suffered or incurred by the non-breaching party of its obligations hereunder. In no event shall either party be liable to the other party for any consequential, exemplary, special, indirect, incidental or punitive damages (including any damages on account of lost profits or opportunities or business interruption and the like), whether by statute, in tort or under contract, under any indemnity provision or otherwise.
- 8.5 Rights and Remedies Cumulative. Except as otherwise expressly stated in this Phase 2 Agreement, the rights and remedies of the Parties are cumulative, and the exercise or failure to exercise one or more of such rights or remedies by either party shall not preclude the exercise by it, at the same time or different times, of any right or remedy for the same default or any other default by the other party.
- 8.6 <u>Waiver</u>. Any waiver by either of the Parties of any breach of any covenant herein contained to be kept and performed by the other party shall not be deemed or considered as a continuing waiver, and shall not operate to bar or prevent the damaged party from declaring a forfeiture for any succeeding breach, either of the same condition or covenant or otherwise.
- 9. <u>Dispute Resolution</u>. The Parties shall use good faith efforts to resolve all claims, disputes and other matters in question between the Parties arising out of or relating to this Phase 2 Agreement (each a "Matter in Dispute") using the procedures set forth herein.
- 9.1 <u>Senior Management</u>. If a Matter in Dispute arises, the aggrieved party shall promptly notify the other party to this Phase 2 Agreement in writing of the dispute, but in any event within fifteen (15) days after the dispute arises. If the Parties shall have failed to resolve the Matter in Dispute within fifteen (15) days after delivery of such notice, each party shall nominate a senior administrator or manager within its organization with authority to bind such party to meet at a mutually agreed location to attempt to resolve the Matter in Dispute. Should the senior officers be unable to resolve the Matter in Dispute within fifteen (15) days of their nomination, the Parties shall submit the Matter in Dispute to Mediation as provided as a condition precedent to pursuing other alternative dispute procedures or litigation.
- 9.2 <u>Mediation</u>. If prior to completion of construction of the Phase 2 Project a Matter of Dispute arises between the City and Developer, the Parties shall proceed in good faith to resolve such dispute as expeditiously as possible and shall cooperate so that the progress of design and construction of the Phase 2 Project is not delayed. If, however, the Parties are unable to resolve the dispute, they agree to utilize the mediation

process contained herein, which will be nonbinding but a condition precedent to having said dispute decided in court by a judge or jury; provided, however, that the City and Developer may agree in writing to waive this condition.

- 9.2.1 <u>Mediation Process</u>. The City or Developer, by delivering written notice to the other, may refer any dispute described above to any natural person not employed by either the City or Developer or an affiliate of either who shall be approved by mutual agreement of the City and Developer ("Mediator").
- 9.2.2 Consideration of Disputes or Claims. Upon receipt by the Mediator of written notice of a dispute, either from the City or Developer, the Mediator shall convene a hearing to review and consider the dispute. Both the City and Developer shall be given the opportunity to present their evidence at this hearing. Both the City and Developer are encouraged to provide exhibits, calculations and other pertinent material to the Mediator for review prior to the hearing.
- 9.2.3 <u>Procedures</u>. Upon the first referral to the Mediator of a Matter in Dispute hereunder, the Mediator shall, with the agreement of the Parties, establish procedures for the conduct of any hearings for consideration of disputes and claims. The conduct of the Mediator's business shall, in general, be based on this Phase 2 Agreement. Unless the City and Developer agree otherwise, the Mediator shall issue its recommendation as soon as possible but in any event not later than sixty (60) days following referral of the dispute to the Mediator.
- 9.2.4 <u>Independence of Mediator</u>. It is expressly understood that the Mediator is to act impartially and independently in the consideration of facts and conditions surrounding any dispute presented by the City and Developer, and that the recommendations concerning any such dispute are advisory only. The Mediator's recommendations shall be based on the pertinent Phase 2 Agreement provisions, and the facts and circumstances involved in the dispute. The recommendations shall be furnished in writing to the Parties.
- 9.2.5 <u>City's Responsibility</u>. The City shall furnish the Mediator one copy of all documents it might have, other than those furnished by the Developer, which are pertinent to the performance of the Mediator.
- 9.2.6 <u>Developer Responsibility</u>. Developer shall furnish the Mediator one copy of all documents it might have, other than those furnished by the City, which are pertinent to the performance of the Mediator.
- 9.2.7 <u>Coordination</u>. The Parties will coordinate to effectively assist the Mediator's operation.
- 9.2.8 <u>Payment</u>. The fees charged by the Mediator shall be shared equally by the Parties. Payments shall be full compensation for work performed, services rendered, and for all materials, supplies, travel, office assistance and support and

incidentals necessary to serve. Payment for services rendered by the Mediator and for the Mediator's expenses shall be at the rate or rates established by the Mediator. The Mediator may submit invoices for payment for work completed not more often than once per month during the progress of the work. Such invoices shall be in a format approved by both Parties, and accompanied by a general description of activities performed during that period. The value of work accomplished for payment shall be established from the billing rate and hours expended by the Mediator. The invoiced amount shall be divided in half and clearly stated. A copy is to be sent to the City and Developer for payment. Satisfactorily submitted invoices shall be paid within sixty (60) days.

9.3 <u>Litigation</u>. Only after the mediation has concluded, may either party seek resolution of the Matter in Dispute through litigation and for any such litigation, jurisdiction and venue shall thereafter be in the Superior Court of the State of Washington for Pierce County.

## 10. Miscellaneous.
