WHEREAS, ARPA is intended to provide support to local governments in responding to the impact of COVID-19 and in their efforts to contain COVID-19 in their communities, residents, and businesses; and

WHEREAS, ARPA includes State and Local Fiscal Recovery Funds to support urgent COVID response efforts to decrease the spread of the virus; to replace lost public sector revenue to strengthen support for vital public services; to support immediate economic stabilization for households and businesses; and to address systemic public health and economic challenges that have contributed to unequal impacts of the pandemic on certain populations; and
